Unless you have an IC blue badge, you will need to pass your SCI clearances to OUSD(I&S). Our security officer is (b) (6). He can tell you the best way to do this.
(b) (6)
Please help (b) (6) get set up for our meeting next week. We need to verify basic SCI.
Thanks!

We have a video version of the briefing on JWICS and SIPRNET that takes about 25 minutes. If you prefer in person, I won't be in the Pentagon 13-16 Oct but we could set up a Tandberg brief. I am sitting in some end of year performance evaluation panels that week and would have to work around them.

Subject: RE: Query
Good Morning,
~~(FOUO)~~ First as an introduction, I am (b) (6) , (b) (6) for Intelligence within the Evaluations Component of the DoD Office of Inspector General. I am trying to obtain points of contact within the Office of Naval Intelligence and the Office of the Under Secretary of Defense for Intelligence and Security (USD[I&S]) familiar with the submission in the National Defense Authorization Act for FY 2020. Specifically, the Classified Annex to the Senate Armed Services Committee Report on S.1790, submission titled "Advanced Operational Capabilities Collection, Exploitation, and Research."
~~(FOUO)~~ My leadership and I would like to obtain a briefing on the unexplained airborne activities and obtain an understand of the current efforts/programs in place and actions the Office of Naval Intelligence and OUSD(I&S) are taking to collect, exploit, and analyze the data on these phenomena. If this discussion needs to be taking to a higher system I am including my contact information below. I would appreciate any information you have.
